

**Mankato Symphony Orchestra**  
**Association, Incorporated**  
**Officers and Board Members**

From the beginning, the purpose of the organization is to serve the musical interests of the community by encouraging active participation in orchestral music, offering an opportunity for recreational playing experiences to the citizens of Mankato and the surrounding region, and to offer opportunities for experiences in orchestra playing to music students in the area. The purpose of the Board of Directors is to determine policy, promote the activities, and to serve as the chief administrative body of the Orchestra.
